Annexure-I

Brief Profile of the GEM :

GEM Enviro Management Private Limited ("GEM") is the leading and fast growing plastic waste management company and is already providing solutions to more than 30 leading organizations in India for managing their plastic waste and fulfilling their Extended Producer's Responsibility stipulated by Ministry of Environment and Forests, Government of India.

Few of GEM's prestigious Clients include:

- Coca Cola
- Pepsi
- Nestle India
- Cipla
- Marico
- Dabur
- Amazon
- Flipkart
- Godrej Group

In addition to the corporate world, GEM has already signed up with government agencies, municipal bodies across India and have 100+ plastic waste management centers spread across 20+ states.

Moreover, GEM market and sell recycled merchandise and promote recycling of plastic waste. Over the last 3 years, GEM's profits have been increasing at a CAGR of more than 100%.

Rationale of the proposed Acquisition:

Vikas Multicorp Limited ("the Company") is engaged in imports, distribution and manufacturing of various plastic raw materials and speciality additives for plastics and tailored compositions for various processes & applications for plastics and its performance based on constant R&D equipped with a SATRA accredited lab with a specific focus on:

- Recycling of Plastics and
- Up cycling (upgrading) of plastic scrap materials

to produce specifically engineered - ready to use designed / modified materials for plastic processors for a wide spectrum of plastic products and applications, to meet (or even exceed in certain cases) the specs, quality and performance to that of the prime / virgin plastic materials.

With the proposed acquisition the Company will have a headway into plastic recycling space, which is growing every year in double digits in India and shall have access to GEM's client base and collection network.
